SUNDT REMAINS CEO CANCER GOLD STANDARD™ EMPLOYER

TEMPE, Ariz. (June 13, 2018) – Sundt Construction, Inc. (www.sundt.com) was re-accredited as a CEO Cancer Gold Standard™ employer for 2018. This accreditation is given by the CEO Roundtable on Cancer, a nonprofit organization of leading CEOs.

Sundt continues to show its commitment to reducing cancer risk by promoting healthy lifestyle choices, encouraging early detection through cancer screenings and ensuring access to quality treatment for its employees and covered family members. Sundt first received the designation in 2011. At the time, the company was the first construction company in the United States to achieve the accreditation.

“At Sundt we want all our employee-owners and their families to be healthy,” Sundt’s Corporate Director of Human Resources **Nicole Calamaio** said. “The re-accreditation and our annual biometric testing are reflective of our ongoing commitment to preventing cancer and other chronic health conditions for our employee-owners and their families.”

To earn the CEO Cancer Gold Standard™ accreditation a company must establish programs to reduce cancer risk by promoting a healthy lifestyle.

About Sundt

Sundt Construction, Inc. (www.sundt.com) is one of the country’s largest and most respected general contractors. The 128-year-old firm specializes in transportation, industrial, building and concrete work and is known for its commitment to quality and innovative approach to construction services. Sundt has 11 offices throughout Arizona, California, Texas and Utah and is 100 percent owned by its approximately 2,000 employees. Sundt currently is ranked the 65th largest construction company in the United States by ENR, the industry’s principal trade magazine. The company is consistently ranked

among the Best Places to Work by business publications in multiple cities and it was named the nation's safest construction company by the Associated General Contractors of America twice in a decade – an honor no other contractor can claim. Sundt's charitable arm, the Sundt Foundation, recently crossed the \$8.6 million mark in donations made to hundreds of nonprofit organizations across the country.
