SUNDT PROMOTES PROJECT EXECUTIVE TO VP, REGIONAL DIRECTOR

SACRAMENTO, Calif. (June 1, 2018) – Ed Segovia has advanced into a new role at Sundt Construction as Vice President and Sacramento Regional Director for the general contractor’s Building Group, California District.

As Vice President and Regional Director, Segovia is responsible for the day-to-day processes for all construction, project management and project administration activities associated with business development, preconstruction and operations in Northern California.

Segovia recently joined Sundt, bringing more than 30 years of construction experience in the private and public sectors. He has managed all aspects of multi-million dollar projects across a variety of industries, including lodging, retail, healthcare, public safety and education.

His major clients have included the City of Los Angeles; Los Angeles Unified School District; Los Angeles Community College District; the University of California, Los Angeles; the California Department of General Services; California State Polytechnic University, Pomona, as well as other private developers and public entities throughout the state.

Segovia holds a bachelor’s degree in business management as well as a master’s degree in business administration.

About Sundt

Sundt Construction, Inc. (www.sundt.com) is one of the country’s largest and most respected general contractors. The 128-year-old firm specializes in transportation, industrial, building and concrete work and is known for its commitment to quality and innovative approach to construction services. Sundt has 11 offices throughout Arizona, California, Texas and Utah and is 100 percent owned by its approximately 2,000 employees. Sundt currently is ranked the 65th largest construction company in the United States by ENR, the industry’s principal trade magazine. The company is consistently ranked

among the Best Places to Work by business publications in multiple cities and it was named the nation's safest construction company by the Associated General Contractors of America twice in a decade – an honor no other contractor can claim. Sundt's charitable arm, the Sundt Foundation, recently crossed the \$8.6 million mark in donations made to hundreds of nonprofit organizations across the country.
