SUNDT NAMES NEW VP TEXAS TRANSPORTATION REGIONAL MANAGER

TEMPE, Ariz. (June 28, 2018) – **Joe Dooley** has joined Sundt Construction, Inc. as Vice President, Texas Regional Manager for the Transportation Group.

Dooley arrives at Sundt with over 25 years of experience in the construction industry, starting as a laborer/carpenter. Prior to joining Sundt, Dooley worked for a national construction firm where he spent 17 years in Texas and Florida, holding positions of field engineer, project engineer, project manager, deputy project director, project executive, and most recently Vice President in Florida.

Dooley will be responsible for business development, preconstruction, operations and client management for Sundt's Texas transportation projects.

"I am very pleased Joe Dooley has joined our team and will lead our continued growth and development in Texas," said Sundt Senior Vice President, Transportation Group Manager **Jeff Williamson**. "Joe's years of experience and industry knowledge will contribute to our future growth, opportunities and development in the state of Texas."

Dooley's experience includes projects ranging in size from several million to \$1.2 billion in Department of Transportation work, light rail transit and aviation. He earned his Bachelor of Science degree in construction management from the University of Cincinnati.

About Sundt

Sundt Construction, Inc. (www.sundt.com) is one of the country's largest and most respected general contractors.
