EL PASO, Texas (June 15, 2018) – Sundt Construction, Inc. (www.sundt.com) added **Angelica Rosales** to its business development team for the company’s Building Group, Southwest District.

Rosales will be instrumental in leading client engagement and community relations for the district’s business development team in El Paso.

“Angelica’s capacity to engage in complex, innovative and transformative projects make her a fantastic addition to our team,” said **Ryan Abbott**, Sundt’s Senior Vice President and Southwest District Manager. “Our purpose is to build environments where our clients, employee-owners and communities prosper.
