SUNDT ADDS NEW PROJECT DIRECTOR FOR BUILDING GROUP IN TEMPE

TEMPE, Ariz. (June 29, 2018) – **Ben Perrone** has joined Sundt Construction, Inc. (www.sundt.com) as a project director for the company's Building Group, Southwest District.

In his new role, **Perrone** will guide a process that strategically blends design and construction, enabling collaborations between project partners to build environments where clients, employee-owners and communities prosper.

“As the rate of change outside our walls, in the design build and development of real estate increases, true design integration is more important for the success of our clients and communities,” Sundt’s Senior Vice President and Southwest District Manager **Ryan Abbott** said. “Ben is here to enable our team to make better decisions earlier in the process, to holistically blend design ideas with the construction supply chain. Our common imperative is to take fantastic design and deliver it in a long-lasting, sustainable way.”

In his prior positions, **Perrone** has played a key role leading award-winning project teams, designing a variety of private and public buildings with firms in Boulder, Colo., Chicago and Phoenix. He has demonstrated a rigorous attitude towards design, innovative building technologies and high-quality solutions using utmost efficiency in his prior projects. He offered leadership in providing exceptional service and outstanding management of project assembly with a cooperative, pragmatic approach.

Perrone holds a master’s degree in business administration and a bachelor’s degree in architecture from the University of Arizona.

About Sundt

Sundt Construction, Inc. (www.sundt.com) is one of the country's largest and most respected general contractors. The 128-year-old firm specializes in transportation, industrial, building and concrete work and is known for its commitment to quality and innovative approach to construction services. Sundt has 11 offices throughout Arizona, California, Texas and Utah and is 100 percent owned by its approximately 2,000 employees. Sundt currently is ranked the 65th largest construction company in the United States by ENR, the industry's principal trade magazine. The company is consistently ranked among the Best Places to Work by business publications in multiple cities and it was named the nation's safest construction company by the Associated General Contractors of America twice in a decade – an honor no other contractor can claim. Sundt's charitable arm, the Sundt Foundation, recently crossed the \$8.6 million mark in donations made to hundreds of nonprofit organizations across the country.
