SUNDT PROMOTES TWO IN ITS CONCRETE DIVISION

TEMPE, Ariz. (September 5, 2018) – Sundt Construction, Inc. (www.sundt.com) has promoted two employee-owners within its [Concrete Division](#). **Ron Eldridge** has been promoted to general superintendent, and **Todd Seawell** has been promoted to area manager.

“The promotion of both Ron and Todd will help us continue our growth and ability to execute with skill and precision across all Sundt groups and regions,” said **Shawn Blubaum**, Vice President and Operations Manager for Sundt’s Concrete Division. “Having Ron and Todd in these new positions will help to increase our ‘boots on the ground’ approach within our Concrete Division operations.”

Eldridge brings over 40 years of experience in the construction industry, including 17 years with Sundt. He will oversee the Concrete Division’s field operations on its California projects.

Seawell will oversee all self-perform concrete field operations on the company’s Industrial and Building Group projects within Arizona, West Texas, New Mexico, Utah and Nevada. Seawell has over 30 years of construction experience on a wide range of projects in both type and size, including over two years with Sundt as a senior project manager within the Concrete Division.

Sundt’s Concrete Division performs intra-company work with its own highly skilled crew. The team’s work can be seen on such notable projects as the award-winning [City of Fort Worth’s West Seventh Street Bridge](#), the [Rental Car Center at the San Diego International Airport](#), the [Dial Corporate Headquarters & Research and Development Facility](#) in Phoenix and many more.

About Sundt

Sundt Construction, Inc. (www.sundt.com) is one of the country’s largest and most respected general contractors. The 128-year-old firm specializes in transportation, industrial, building and concrete work and is known for its commitment to quality and innovative approach to construction services. Sundt has 11 offices throughout Arizona, California, Texas and Utah and is 100-percent owned by its approximately 2,000 employees. Sundt currently is ranked the 65th largest construction company in the

United States by ENR, the industry's principal trade magazine. The company is consistently ranked among the Best Places to Work by business publications in multiple cities, and it was named the nation's safest construction company by the Associated General Contractors of America twice in a decade – an honor no other contractor can claim. Sundt's charitable arm, the Sundt Foundation, recently crossed the \$8.6 million mark in donations made to hundreds of nonprofit organizations across the country.
