### **SUNDT FOUNDATION GRANTS \$21,000 TO EIGHT LOCAL NONPROFITS**

**SAN DIEGO, Calif.** (September 5, 2018) – A \$5,000 grant to **Casa de Amparo** from the Sundt Foundation will aid in treating and preventing child abuse and neglect in San Diego County and beyond.

The organization supports more than 1,000 Casa Kids, from prenatal to 25 years old, as well as over 950 families, through integrated programs that promote healing, growth and healthy relationships.

“The Sundt Foundation is the most important tool to fulfill our mission and the company’s purpose,” said **Andrew Apostolik**, the Sundt Foundation’s Board President. “At Sundt, our purpose is to build environments where our clients, employee-owners and communities prosper which is why it is important we invest in San Diego.”

The Sundt Foundation awarded a total of \$13,000 in grants to four Southern California-area nonprofits during its second-quarter disbursement. Other second-quarter grants include:

- **Adopt-A-Grandparent** received \$2,000 to connect isolated elderly individuals with volunteers.
- **City of Heights Coffee House** received a \$3,000 grant. The organization provides employment to marginalized people groups. They believe in radical inclusiveness, second chances and the sacred worth of each human being.
- **Developmental Services Continuum, Inc.** received \$3,000 to provide services for adults and children with developmental disabilities who have not been successful in other facilities.

During the third-quarter distribution the Sundt Foundation awarded \$8,000 in grants to four additional nonprofits. Third-quarter grants include:

- **Angels Foster Family Network**, which received \$2,000, is dedicated to creating safe, stable loving homes for infants and toddlers in foster care throughout the County of San Diego, Calif.

- **San Diego Second Chance**, which received \$2,000, was founded in 1993 to ensure all members of the community have the means to achieve self-sufficiency, regardless of age, race or criminal history.
- **Straight From The Heart**, which received \$2,000, is a nonprofit resource center for foster, adoptive, kinship children and their caregivers.
- **Urban Surf 4 Kids**, which received \$2,000, is a unique outreach organization that works with orphan and foster kids. Using water sports as a catalyst, they teach kids how to have fun and give back to their communities.

The Sundt Foundation awards grants each quarter to area charities that support disadvantaged children and adults. Nonprofits are selected through an application process and requests are reviewed by a committee of Sundt Construction employee-owners.

### **About The Sundt Foundation**

The Sundt Foundation was established in 1999 by Sundt Construction, Inc. as a way for its employee-owners to give back to the communities in which they live and work. The organization is funded primarily by contributions from Sundt employees, which are matched by the company. To date, the Foundation has awarded more than \$8.6 million in donations. Nonprofit organizations interested in applying for a grant may call (855) 714-4365 or [click here](#) for more information. Sundt has offices in Tempe and Tucson, Arizona; Salt Lake City, Utah; San Antonio, Fort Worth, Irving and El Paso, Texas; and Sacramento, San Diego and Irvine, California.

### **About Sundt**

Sundt Construction, Inc. ([www.sundt.com](http://www.sundt.com)) is one of the country's largest and most respected general contractors. The 128-year-old firm specializes in transportation, industrial, building and concrete work and is known for its commitment to quality and innovative approach to construction services. Sundt has 11 offices throughout Arizona, California, Texas and Utah and is 100-percent owned by its approximately 2,000 employees. Sundt currently is ranked the 65th largest construction company in the United States by ENR, the industry's principal trade magazine. The company is consistently ranked among the Best Places to Work by business publications in multiple cities, and it was named the nation's safest construction company by the Associated General Contractors of America twice in a decade—an honor no other contractor can claim.
