SUNDT PROMOTES EMPLOYEE-OWNERS HUNT AND LARRIEU IN CALIFORNIA

SACRAMENTO, Calif. (September 26, 2018) – Sundt Construction, Inc. (www.sundt.com) has promoted **Robin Hunt** to lead the business development efforts for the company’s Building Group, California District, and **Jim Larrieu** to Vice President and Preconstruction Manager for the Building Group, California District’s Sacramento region.

“We are thrilled to be able to promote both Robin and Jim,” said **Dan Dumke**, Sundt’s Senior Vice President and California District Manager for the Building Group. “They have both shown great initiative to enhance our business development and preconstruction efforts within the California District.”

Hunt was promoted to California District Business Development Manager for Sundt’s Building Group. She brings over 28 years of experience in the construction industry, including 12 years at Sundt. In her new role, Hunt will provide leadership, guidance and supervision to the business development and work acquisition teams. In her previous role as the business development representative for the Sacramento Region, she successfully developed strong relationships in the construction industry and collaborated with market sector champions to pursue business development opportunities. Hunt holds a certification in CM-Lean.

Larrieu has over 40 years of experience in the construction industry, including 11 years at Sundt as a preconstruction project manager. Larrieu will now be responsible for leading the estimating and preconstruction team in support of business development and project execution efforts. In his previous role, Larrieu successfully executed numerous projects, and through his client-focused approach, he has brought in a significant amount of work for the company. He holds a bachelor’s degree in civil engineering from the University of Nevada, Reno.

About Sundt

Sundt Construction, Inc. (www.sundt.com) is one of the country's largest and most respected general contractors. The 128-year-old firm specializes in transportation, industrial, building and concrete work and is known for its commitment to quality and innovative approach to construction services. Sundt has 11 offices throughout Arizona, California, Texas and Utah and is 100-percent owned by its approximately 2,000 employees. Sundt currently is ranked the 65th largest construction company in the United States by ENR, the industry's principal trade magazine. The company is consistently ranked among the Best Places to Work by business publications in multiple cities, and it was named the nation's safest construction company by the Associated General Contractors of America twice in a decade – an honor no other contractor can claim. Sundt's charitable arm, the Sundt Foundation, recently crossed the \$8.6 million mark in donations made to hundreds of nonprofit organizations across the country.
