SUNDT HIRES NEW PROJECT MANAGER IN SACRAMENTO

SACRAMENTO, Calif. (October 3, 2018) – Sundt Construction, Inc. (www.sundt.com) has added **Alexandros Gourtzelis** to the company’s Building Group, California District.

“Alexandros is a great addition to our team in Sacramento,” said **Ed Segovia**, Sundt’s Vice President and Sacramento Regional Director for the Building Group, California District. “He brings many years of work in the industry and will provide our team with experience and skills.”

Gourtzelis will serve as the senior project manager on a senior living facility breaking ground this fall. He has worked in the construction industry since 1980 and will be responsible for overall project management, including planning and scheduling for the preconstruction and construction phases of the project.

Gourtzelis is a registered professional civil engineer with the State of California and holds both a bachelor’s and master’s degree in civil engineering from the New Jersey Institute of Technology.

Sundt has over 70 years of project work throughout the state of California. Currently, Sundt is building the [Ernest E. Tschannen Science Complex](#) on the Sacramento State campus. The five-story, 94,000-square-foot building will house both wet and dry biology and chemistry teaching and research labs. The company is also expanding, renovating and modernizing [Truckee High School](#) and Elementary School, as well as building the new Sunnyvale Hilton Garden Inn in San Jose.

About Sundt

Sundt Construction, Inc. (www.sundt.com) is one of the country’s largest and most respected general contractors. The 128-year-old firm specializes in transportation, industrial, building and concrete work and is known for its commitment to quality and innovative approach to construction services. Sundt has 11 offices throughout California, Arizona, Texas and Utah and is 100-percent owned by its approximately 2,000 employees. Sundt currently is ranked the 65th largest construction company in the United States by ENR, the industry’s principal trade magazine. The company is consistently ranked

among the Best Places to Work by business publications in multiple cities, and it was named the nation's safest construction company by the Associated General Contractors of America twice in a decade – an honor no other contractor can claim. Sundt's charitable arm, the Sundt Foundation, recently crossed the \$8.6 million mark in donations made to hundreds of nonprofit organizations across the country.
