SUNDT HIRES MIELCAREK IN ITS SACRAMENTO OFFICE

SACRAMENTO, Calif. (October 4, 2018) – Sundt Construction, Inc. (www.sundt.com) has added **Mike Mielcarek** to the company’s Building Group, California District. Mielcarek will serve as a project executive in Sacramento.

“We are happy to add Mike to our office,” said **Ed Segovia**, Sundt’s Vice President and Sacramento Regional Director for the Building Group, California District. “Mike’s experience in our core markets will bring expertise to our current and future projects in Northern California.”

In his new role, Mielcarek will oversee numerous projects across Northern California. He will manage work on the Sacramento State campus, including the [Ernest E. Tschannen Science Complex](#). The five-story, 94,000-square-foot building will house both wet and dry biology and chemistry teaching and research labs. Mielcarek will also oversee two senior living projects expected to break ground this fall.

Mielcarek brings over 20 years of project executive experience in the construction industry. His expertise includes healthcare, education, municipal, transportation and government sectors. In his previous role at another construction firm, Mielcarek managed multiple large projects.

A Wisconsin native, Mielcarek earned his B.S. in civil engineering from the University of Wisconsin, Madison.

Sundt has over 70 years of project work throughout the state of California. The company has offices in Sacramento, Irvine and San Diego. In addition to the [Ernest E. Tschannen Science Complex](#) on the Sacramento State campus, Sundt is also expanding, renovating and modernizing [Truckee High School](#) and Elementary School, as well as building the new Sunnyvale Hilton Garden Inn in San Jose.

About Sundt

Sundt Construction, Inc. (www.sundt.com) is one of the country’s largest and most respected general contractors. The 128-year-old firm specializes in transportation, industrial, building and concrete work

and is known for its commitment to quality and innovative approach to construction services. Sundt has 11 offices throughout California, Arizona, Texas and Utah and is 100-percent owned by its approximately 2,000 employees. Sundt currently is ranked the 65th largest construction company in the United States by ENR, the industry's principal trade magazine. The company is consistently ranked among the Best Places to Work by business publications in multiple cities, and it was named the nation's safest construction company by the Associated General Contractors of America twice in a decade – an honor no other contractor can claim. Sundt's charitable arm, the Sundt Foundation, recently crossed the \$8.6 million mark in donations made to hundreds of nonprofit organizations across the country.
