SUNDT BEGINS CONSTRUCTION ON DENTON ADMINISTRATIVE COMPLEX

DENTON, Texas (December 14, 2018) – Sundt Construction, Inc. (www.sundt.com) broke ground earlier this month on the Denton County Administration Complex Phase III.

Phase III involves new construction of a four-story facility that will house a new county commissioners court with a judge and commissioner's suite and support services. Additionally, the county justice of the peace court, constable and human resources departments will be housed in this facility, which will sit near the elections office and county health department on South Loop 288.

"This is a great project for our Texas team to build," said Eric Hedlund, Senior Vice President and manager of the company's Building Group, Texas District. "Our innovative and collaborative approach to this project will produce a great building for Denton County."

Phase III also includes site development work on over 10 acres with associated parking, a community park, and water quality and utility improvements.

The groundbreaking celebration included representatives from Denton County, Sundt and HDR Architecture. The third phase is scheduled to be completed in 2020.

About Sundt

Sundt Construction, Inc. (www.sundt.com) is one of the country's largest and most respected general contractors. The 128-year-old firm specializes in transportation, industrial, building and concrete work and is owned entirely by its 2,000 employees. Sundt is distinguished by its diverse capabilities and experience, unique employee-ownership culture and depth of self-perform expertise in 13 major trades. Half of Sundt's workforce is comprised of skilled craft professionals who, together with the company's

administrative employees, enable Sundt to fulfill its mission to be the most skilled builder in America. Sundt has 11 offices throughout Arizona, California, Texas and Utah and is currently ranked the country's 65th largest construction company by ENR, the industry's principal trade magazine.
