LACY AND KHANDELWAL JOIN SUNDT'S FORT WORTH OFFICE

FORT WORTH, Texas (January 17, 2019) – Sundt Construction, Inc. (www.sundt.com) has added **Bob Lacy** and **Sahil Khandelwal** to the company's Building Group, Texas District's Fort Worth office. Both will serve on the City of Arlington Southeast Recreation Center project.

“As we get ready to break ground on the Southeast Arlington Recreation Center, adding both Bob and Sahil to the team is essential,” said **Eric Hedlund**, Senior Vice President and Texas District Manager for Sundt's Building Group. “Both bring diverse experience, which will help greatly in building this project for the Arlington community.”

Lacy brings 40 years in the construction industry to his new position of senior superintendent. He has knowledge in government, education, commercial, healthcare and mixed-use projects. Lacy brings experience working with other local Texas municipalities will be beneficial as he coordinates all activities on the project in southeast Arlington. He holds a degree from Howard College in Big Spring, Texas.

Khandelwal will serve as the project engineer on the recreation center project. A seasoned construction professional, he recently relocated from New York where he served as a project manager on two projects. He earned his bachelor's degree in civil engineering from Rajiv Gandhi Technical University in Indore, India and his master's degree in construction management from Arizona State University.

Sundt has 50 years and nearly \$3 billion of project experience throughout Texas, with offices in Fort Worth, Irving, San Antonio and El Paso. The company is currently working on the [University of](#)

[North Texas Biomedical Engineering Addition](#) in Denton and recently broke ground on the Denton County Administration Complex Phase III.

About Sundt

Sundt Construction, Inc. (www.sundt.com) is one of the country's largest and most respected general contractors. The 129-year-old firm specializes in transportation, industrial, building and concrete work and is known for its commitment to quality and innovative approach to construction services. Sundt has 11 offices throughout Texas, Arizona, California and Utah and is 100 percent owned by its approximately 2,000 employees. Sundt currently is ranked the 65th largest construction company in the United States by ENR, the industry's principal trade magazine. The company is consistently ranked among the Best Places to Work by business publications in multiple cities, and it was named the nation's safest construction company by the Associated General Contractors of America twice in a decade. Sundt's charitable arm, the Sundt Foundation, recently crossed the \$8.6 million mark in donations made to hundreds of nonprofit organizations across the country.
