SUNDT ADDS TWO IN ORANGE COUNTY

IRVINE, Calif. (January 8, 2019) – Sundt Construction, Inc. (www.sundt.com) has added **Matt Brondos** and **Reese Fortin** to the company's Building Group, California District.

Brondos joins Sundt with 18 years of experience in the Southern California construction industry. He will serve as a senior project superintendent at the [Golden West College Mathematics and Science Building](#). Brondos brings a skillset that includes both field and office work. He holds a bachelor's degree in construction management from Colorado State University in Fort Collins, Colo.

Fortin has over 10 years of experience in the construction industry. Her safety career started in a manufacturing plant for water pumps, and she eventually transitioned into the healthcare sector. In her previous role, Fortin was in charge of safety efforts; she supervised safety professionals on numerous jobsites. She graduated from California State University, Fresno with a bachelor's degree in construction management with an emphasis on safety.

Sundt has over 70 years of diverse project experience throughout the state of California. Currently the company is working on the [Golden West College Mathematics and Science Building](#) in Huntington Beach and California State University, Los Angeles Rongxiang Xu Bioscience Innovation Center in Southern California. The company has offices in Irvine, San Diego and Sacramento.

About Sundt

Sundt Construction, Inc. (www.sundt.com) is one of the country's largest and most respected general contractors. The 129-year-old firm specializes in transportation, industrial, building and concrete work and is owned entirely by its 2,000 employees. Sundt is distinguished by its diverse capabilities and

experience, unique employee-ownership culture and depth of self-perform expertise in 13 major trades. Half of Sundt's workforce is comprised of skilled craft professionals who, together with the company's administrative employees, enable Sundt to fulfill its mission to be the most skilled builder in America. Sundt has 11 offices throughout Arizona, California, Texas and Utah and is currently ranked the country's 65th largest construction company by ENR, the industry's principal trade magazine.
