SUNDT ADDS BECK AND CHAMPLIN TO SAN DIEGO OFFICE

SAN DIEGO, Calif. (January 28, 2019) – **Casey Beck** and **Noah Champlin** are now employee-owners of Sundt Construction, Inc. (www.sundt.com), joining the company’s Building Group, California District’s San Diego office.

“We’re excited to bring both Casey and Noah onboard,” said **Ryan Nessen**, Sundt’s Vice President and San Diego Regional Director for the Building Group, California District. “Both Casey and Noah have the skill and grit needed for their positions and will be integral parts of their project teams.”

Beck joins Sundt as a mechanical, electrical and plumbing specialist with over six years of experience. He has directed large construction teams and subcontractors on multi-million-dollar government, residential, hospitality and technology projects. Beck earned his bachelor’s degree from the University of Nebraska, Lincoln in construction management with a minor in business.

Champlin rejoins Sundt as a field engineer on a commercial project, after serving as an intern for the company. As an intern, he worked on the [California Baptist University Event Center](#) project performing various duties, including verifying submittals and RFI logs and maintaining records of drawings with changes. Champlin recently graduated from California Polytechnic State University, San Luis Obispo with a bachelor’s degree in construction management.

Sundt has over 70 years of project work throughout the state of California and nearly 130 years throughout the US. The company just broke ground on the San Diego International Airport Support Facilities project. Sundt has offices in San Diego, Irvine and Sacramento.

About Sundt

Sundt Construction, Inc. (www.sundt.com) is one of the country's largest and most respected general contractors. The 129-year-old firm specializes in transportation, industrial, building and concrete work and is known for its commitment to quality and innovative approach to construction services. Sundt has 11 offices throughout California, Arizona, Texas and Utah and is 100-percent owned by its approximately 2,000 employees. Sundt currently is ranked the 65th largest construction company in the United States by ENR, the industry's principal trade magazine. The company is consistently ranked among the Best Places to Work by business publications in multiple cities, and it was named the nation's safest construction company by the Associated General Contractors of America twice in a decade. Sundt's charitable arm, the Sundt Foundation, recently crossed the \$8.6 million mark in donations made to hundreds of nonprofit organizations across the country.
