### **SUNDT STARTS WORK ON AVESTA RESIDENCES AT DUBLIN**

**DUBLIN, Calif.** (February 11, 2019) – Sundt Construction, Inc. ([www.sundt.com](http://www.sundt.com)) started work on Avesta Residences at Dublin. The design-build project includes a four-story building which sits on a one-acre site in downtown Dublin, California.

“In the last 10 years, Sundt has completed several senior living projects,” said **Mike Mielcarek**, Project Executive for Sundt’s Building Group, California District. “We’re happy to begin this project to meet both the well-being and social needs of our aging population within the continually evolving senior living market.”

The 67,000-square-foot facility will be a steel-frame building with a total of 80 assisted-living and memory care residential units. There will be an outdoor plaza at the entrance of the building as well as patios on the second and third floors. The architect on the project is LPAS. The project is expected to be completed by the end of 2019.

Sundt has over 70 years of project work throughout the state of California. The company has offices in Sacramento, Irvine and San Diego.

#### **About Sundt**

Sundt Construction, Inc. ([www.sundt.com](http://www.sundt.com)) is one of the country’s largest and most respected general contractors. The 129-year-old firm specializes in building, transportation, industrial and concrete work and is owned entirely by its 2,000 employees. Sundt is distinguished by its diverse capabilities and experience, unique employee-ownership culture and depth of self-perform expertise in 13 major trades. Half of Sundt’s workforce is comprised of skilled craft professionals who, together with the company’s

administrative employees, enable Sundt to fulfill its mission to be the most skilled builder in America. Sundt has 11 offices throughout California, Arizona, Texas and Utah and is currently ranked the country's 65th largest construction company by ENR, the industry's principal trade magazine.
