### **SUNDT ADDS POWELL IN SAN DIEGO**

**SAN DIEGO, Calif.** (March 7, 2019) – Bob Powell has joined Sundt Construction, Inc. ([www.sundt.com](http://www.sundt.com)) in its San Diego office. He will serve as a senior virtual construction engineer for the company's Building Group, California District.

“Bringing Bob on the team will help us enhance our BIM coordination abilities, which increases our project support throughout the region,” said **Ryan Nessen**, Vice President and San Diego Regional Director for Sundt's Building Group. “Sundt has always had a reputation for finding cutting-edge ways to use BIM, and Bob is excited about building upon that.”

A Wisconsin native, Powell has extensive experience overseeing BIM efforts to develop 3D models, with special expertise in aviation construction.

Sundt has over 70 years of diverse project experience throughout the state of California. The company has offices in San Diego, Irvine and Sacramento. Sundt is currently working on the San Diego International Airport (SDIA) Support Facilities project.

#### **About Sundt**

Sundt Construction, Inc. ([www.sundt.com](http://www.sundt.com)) is one of the country's largest and most respected general contractors. The 129-year-old firm specializes in transportation, industrial, building and concrete work and is known for its commitment to quality and innovative approach to construction services. Sundt has 11 offices throughout California, Arizona, Texas and Utah and is 100 percent owned by its approximately 2,000 employees. Sundt currently is ranked the 65th largest construction company in the United States by ENR, the industry's principal trade magazine. The company is consistently ranked

among the Best Places to Work by business publications in multiple cities, and it was named the nation's safest construction company by the Associated General Contractors of America twice in a decade. Sundt's charitable arm, the Sundt Foundation, recently crossed the \$9.2 million mark in donations made to hundreds of nonprofit organizations across the country.
