SUNDT ADDS GREEN AS PROJECT MANAGER IN SAN ANTONIO

SAN ANTONIO (May 15, 2019) –Sundt Construction, Inc. (www.sundt.com) has added Dan Green as a project manager in the San Antonio office.

“Dan brings proven leadership skills to his new role,” said **Todd Calder**, Vice President and San Antonio Regional Director for Sundt’s Building Group, Texas District. “He has successfully managed projects in a cost-efficient and timely manner, which will be valuable to our work.”

Green bring 25 years of experience to his new role on the Canopy by Hilton Downtown San Antonio project. Most recently he served as a branch manager for a construction and maintenance company in San Antonio. His experience includes commercial, civil and residential projects, working as both a general contractor and subcontractor. He had previously worked at Sundt as an estimator on numerous government projects. Green holds his bachelor’s degree in construction management from Colorado State University, and he is a Design-Build Professional and Certified Professional Contractor.

In Texas, Sundt has 50 years and nearly \$3 billion of project experience, with offices in San Antonio, Fort Worth, Irving and El Paso. The company is currently busy in the downtown San Antonio area working on the [San Pedro Creek Improvements](#), [Canopy by Hilton Downtown San Antonio](#) and the [CPS Energy Headquarters](#) renovations.

About Sundt

Sundt Construction, Inc. (www.sundt.com) is one of the country's largest and most respected general contractors. The 129-year-old firm specializes in transportation, industrial, building and concrete work and is owned entirely by its 2,000 employees. Sundt is distinguished by its diverse capabilities and experience, unique employee-ownership culture and depth of self-perform expertise in eight major trades. Half of Sundt's workforce is comprised of skilled craft professionals who, together with the company's administrative employees, enable Sundt to fulfill its mission to be the most skilled builder in America. Sundt has 11 offices throughout Arizona, California, Texas and Utah and is currently ranked the country's 65th largest construction company by ENR, the industry's principal trade magazine.
