SUNDT PROMOTES LARRIEU TO VP, REGIONAL DIRECTOR

SACRAMENTO, Calif. (May 7, 2019) – **Jim Larrieu** has been promoted to Vice President and Sacramento Regional Director for Sundt Construction’s Building Group.

As Vice President and Regional Director, Larrieu will oversee the day-to-day processes for all construction, project management and project administration activities in Northern California.

“Moving Jim into the regional director role is the start of an exciting new chapter,” said **Dan Dumke**, Senior Vice President and California District Manager for Sundt’s Building Group. “This is an important step toward our continued success in the Northern California region and our mission to be the most skilled builder in America.”

Larrieu has over 40 years of experience in the construction industry, including nearly 12 years at Sundt as a construction and preconstruction project manager. Most recently, he was promoted to Vice President and Preconstruction Manager, where he was responsible for leading the estimating and preconstruction team in support of business development and project execution efforts.

In his previous roles at Sundt, Larrieu successfully executed numerous projects, and through his client-focused approach, he has helped Sundt build its presence in the Northern California region. He holds a bachelor’s degree in civil engineering from the University of Nevada, Reno.

Sundt has over 70 years of diverse project experience throughout the state of California. The company has offices in Sacramento, Irvine and San Diego. Sundt is currently building several projects in the region, including the [Ernest E. Tschannen Science Complex](#) on the Sacramento State University campus, the Hilton Garden Inn in Sunnyvale, as well as the new Shasta County Courthouse in Redding.
