SUNDT HIRES BENNIE AS INTERMOUNTAIN AREA MANAGER

SALT LAKE CITY (August 16, 2019) – Sundt Construction, Inc. (www.sundt.com) has hired **Jasen Bennie** to serve as the Intermountain Area Manager for the Transportation Group, working out of Sundt’s Salt Lake City office.

“We’re happy to welcome Jasen to our Intermountain team,” said **Ken Kubacki**, Vice President and Intermountain Manager. “He brings a large skillset to our already talented team and will create a positive impact in the region.”

Bennie brings over 19 years of construction and senior management experience to his new role, both in the private and public sector with projects valued up to \$125 million. He has held multiple positions in his career including project engineer, estimator, project manager, senior project manager and area manager.

Bennie earned his bachelor’s degree in business administration from Pacific Lutheran University in Tacoma, Washington. He has extensive knowledge of many facets of the construction industry including company leadership, project leadership, constructability means and methods, front-line advocacy, cost change management and client relations.

About Sundt

Sundt Construction, Inc. (www.sundt.com) is one of the country’s largest and most respected general contractors. The 129-year-old firm specializes in transportation, industrial, building and concrete work and is owned entirely by its 2,000+ employees. Sundt is distinguished by its diverse capabilities and experience, unique employee-ownership culture and depth of self-perform expertise in nine major

trades. Half of Sundt's workforce is comprised of skilled craft professionals who, together with the company's administrative employees, enable Sundt to fulfill its mission to be the most skilled builder in America. Sundt has 11 offices throughout Arizona, California, Texas and Utah and is currently ranked the country's 54th largest construction company by ENR, the industry's principal trade magazine.
