INTORF JOINS SUNDT AS BUSINESS DEVELOPMENT REP

TEMPE, Ariz. (August 23, 2019) – Sundt Construction, Inc. (www.sundt.com) recently hired **Danielle Intorf** as a business development representative in its Transportation Group.

“We’re very happy to have Danielle join our team,” said **Jeff Williamson**, senior vice president and manager of Sundt’s Transportation Group. “She brings the right industry experience to this role to help our group continue to secure work.”

Intorf brings years of marketing experience to her new role, working with architects, subcontractors, brokers and owners. She also has an extensive set of skills such as project management, proposal development, database management, staff development and relationship development.

Intorf earned her bachelor’s degree in both advertising and public relations from Northern Arizona University and is an active member of multiple industry and marketing associations including the American Society of Highway Engineers and Women in Transportation.

About Sundt

Sundt Construction, Inc. (www.sundt.com) is one of the country’s largest and most respected general contractors. The 129-year-old firm specializes in transportation, industrial, building and concrete work and is owned entirely by its 2,000+ employees. Sundt is distinguished by its diverse capabilities and experience, unique employee-ownership culture and depth of self-perform expertise in nine major trades. Half of Sundt’s workforce is comprised of skilled craft professionals who, together with the company’s administrative employees, enable Sundt to fulfill its mission to be the most skilled builder in

America. Sundt has 11 offices throughout Arizona, California, Texas and Utah and is currently ranked the country's 54th largest construction company by ENR, the industry's principal trade magazine.
