

THE SUNDT FOUNDATION

The Sundt Foundation was established in 1999 to provide Sundt employee-owners with the opportunity to give back to the local communities where they live and work.

Since its inception, the Foundation has granted more than $20 million to thousands of nonprofit organizations across the country. Employee-owner contributions, combined with matching company funds, allow the Foundation to make a positive impact on the communities we serve.

MISSION

The Sundt Foundation is a 501(c)(3) nonprofit organization dedicated to improving the communities where we live and work. The purpose of the Foundation is to enable connection and belonging for all employee-owners through giving and volunteering.

BOARD OF DIRECTORS

The Sundt Foundation is led by a Board of Directors comprised of Sundt employee-owners. The Board meets quarterly to review grant applications, oversee Foundation activities, and ensure alignment with its mission.

FOUNDATION HIGHLIGHTS

Awarding Grants

The Sundt Foundation awards over $4 million annually in grants to nonprofit organizations. Grants range from $2,500 to $25,000 and are distributed quarterly. Funding is sourced from employee-owner contributions, which are matched dollar-for-dollar by Sundt. Local committees made up of employee-owners review applications and recommend funding decisions for their communities.

Fundraising Tournaments

Since 2001, the Sundt Foundation has hosted special fundraising events, such as golf tournaments, fun shoots, and seasonal fundraisers, to support local nonprofit organizations. These events, held in multiple cities, have raised over $4 million for various charities, all selected by employee committees.

Volunteer Projects

The Foundation actively supports and organizes community service events for employee-owners to give back through volunteerism. We also encourage employees to record the volunteering they do on their own time so we can measure the collective impact that Sundt has in the community, both on and off the clock.

"Support from the Sundt Foundation has helped us fulfill our mission by providing vital financial and supportive services to families in the NICU. The majority of NICU stays are unexpected, overwhelming and often life-changing."
